This edge chip warranty applies for 2 years from the date of the original invoiced order. The warranty is available to the original customer at the location specified on the warranty registration form and will cover items detailed in the Dudson brochure within range(s) and item(s) supplied as part of the original order and subsequent replenishment orders as recognised under the terms of this warranty.

2. Warranty Applications:

- A.** This warranty covers edge chipping only (not breakages) on selected Evo Vitrified Stoneware items. Items that have chipped during the first two years from the date of the original invoiced order "in normal food service use," which includes refrigeration, serving, washing and storage will be replaced. The warranty does not extend to other types of breakage and the validity of the warranty claim is at the sole discretion of Churchill, owner of the Dudson brand.
- B.** This warranty applies to relevant products purchased and identified as part of the original invoiced order and subsequent replenishment orders recognised under the terms of the warranty and issued during the warranty period. Replenishment orders will be subject to the terms of the original agreement only warranted for the period of cover remaining.
- C.** For the avoidance of doubt, this warranty only applies to relevant products manufactured by or at Churchill's direction under the Dudson brand.

3. Registration:

This warranty is only applicable if the customer completes and returns the warranty registration form to Churchill within 60 days from the date of the original invoiced order. If this registration is not returned to us, any claims under this warranty will be considered invalid. A unique numbered copy of the warranty registration document will then be returned to the customer to keep on file.

4. How to make a claim:

Any claim pieces must be retained by the customer and returned to Churchill for inspection. Information about the claim must be supplied and the venue where the damage occurred should be made available for inspection. Claims are only valid when made by the original customer at the location stated in the original registration. Contact Dudson customer services on +44 (0)1782 577566 or your local Dudson sales manager to make a claim under this warranty.
